

# Report on IPR Awareness Programme

@  
Government Engineering  
College, Valsad

9<sup>th</sup> September, 2019

## Student Startup & Innovation Policy

In order to take forward the SSIP Policy and to enhance creativity, innovation, competitiveness and economic growth of nation, it is imperative to harness IPRs (Intellectual Property Rights). Government Engineering College, Valsad has organized an IPR awareness seminar for the incubatee students for selected PoCs under SSIP and faculties of the institute.

### Objectives of the Seminar:

- ✚ To encourage widespread awareness and understanding of the role that intellectual property plays in fostering a creative and innovative culture.
- ✚ IPR awareness seminar aimed to establish a first level of IP awareness amongst the staff and students for obtaining well-protected inventions.
- ✚ To educate the participants about basic procedure of patent writing, patent filing and the process of granting patent.

# Inaugural of seminar

The seminar was formally inaugurated by the experts Dr. Anil Saraogi and Dr. Dhara Thakore, along with Principal Dr. V. S. Purani, SSIP coordinator Prof. K. L. Mokariya and team members of SSIP cell, GECV.

Lamp lightning at inaugural

The program had two learning sessions, preceded by the inaugural function and concluded by the valedictory function. Each of the sessions was followed by an interactive question-answer session where the students and faculties could clarify their doubts as well as debate with the Guest Speakers.
