

## SSIP at GEC VALSAD

Review and selection of student's innovation projects at GEC VALSAD is accomplished today. Three level scrutiny were held during the month (Department level, HoDs committee and Institute SSIP committee) and 28 POCs worth Rs. 7.7 Lakh are finally accepted for the support under SSIP.

Pre patent search for six POCs is also done and IP filling is under process. It is privileged to share that 117 students are now on roll at innovation and pre-incubation centre, GEC VALSAD.
